## BILL AND JODY TERRY FAMILY SCHOLARSHIP

\$500.00

Bill and Jody Terry were educators in the Stroud Public Schools for many years. Bill grew up in Stroud and graduated from Stroud High in 1964. He was an All-State basketball player, and played collegiately at Northeastern State University. He later moved his family back to Stroud. Bill taught in the Middle School and was the head high school basketball coach, then became the Middle School principal. Jody taught both freshman and senior English classes for many years. Both Bill and Jody took great satisfaction from the fact they positively impacted the lives of many, many Stroud students.

Bill and Jody raised their two sons in Stroud. Doug graduated in 1986 and Matt graduated in 1990. Both were excellent students and very active in extra-curricular activities. Doug and Matt both proudly wore the Tiger blue uniforms of their football, basketball and baseball teams.

The Terry family wants to "pay it forward" to a deserving Stroud High School senior, by awarding this scholarship. Stroud meant a great deal to the Terry family and they take great pride in being able to help a deserving Stroud student make the most of their scholastic opportunities in the future.
