**Dear Parent,**

**We are excited to introduce EDPLAN Connect parent portal. The parent portal will allow you to virtually access your child's IEP or 504 Plan documents, service information, and teacher of record information.**

**The attached documents provide information and instructions for accessing the parent portal.**

- . Parent Guide for Using EDPLAN Connect**
- . EDPLAN Connect Quick Start**

**In order to access EDPLAN Connect, we will need an active email address for you in our records. If we have an active email address in our records, you will receive an email notification after a document was created for your child. The email notification will include a link to EDPlan Connect. If we do not have an active email address for you, please contact the school your child attends and give them your current email address.**

**Sincerely,**

**Mary Kay Van Tuyl
