Dear School Patrons:

We have an increasing number of quarantines to report for Stroud Schools today involving many of our basketball team members in the Middle School and the High School. **A primary reason for this increase in the number of quarantines is related to a change in the recommendations for individuals to be quarantined from the Oklahoma State Health Department. Briefly it expands a general guideline of six feet and fifteen minutes of contact to a much larger group in an indoor athletic environment.**

Certainly your judgment regarding on site attendance and virtual attendance is a day to day decision you may make in regard to your child. Our intention is to provide good information to you on a regular basis on which to make those decisions.

The list of students and staff entering quarantine today is shown below:

- KG-1
- 3<sup>rd</sup> Grade-1
- 6<sup>th</sup> Grade-16
- 7<sup>th</sup> Grade-31
- 8<sup>th</sup> Grade-28
- 9<sup>th</sup> Grade-4
- 10<sup>th</sup> Grade-5
- 11<sup>th</sup> Grade-5
- 12<sup>th</sup> Grade-4
- High School Teachers-1
- High School Staff Member-Positive Test
- Middle School Teachers-2

**Note: 6<sup>th</sup>, 7<sup>th</sup>, 8<sup>th</sup>, 9<sup>th</sup>, 10<sup>th</sup>, 11<sup>th</sup>, and 12<sup>th</sup> Grade students added to the list today are related to positive tests identified in the Monday announcement and quarantined today due to the new guidelines for close contact in an indoor athletic environment.**

**All parties being quarantined have been notified at this time.**

We believe our list of individuals is complete. If there are others that are identified we will make those contacts as soon as possible.
