## INTRODUCTION

**This handbook is a general description of a few of the most important rules and policies that govern our school. It would be impossible to address all rules and policies within this handbook. In the final analysis, each principal will address rules and regulations on a case by case basis. It is our goal to provide the best education possible and keep our students and faculty members safe. In addition, it is our goal to provide a classroom setting that is characterized by high expectations in academic teaching and learning.**

## WELCOME

Welcome to the home of the SMS Tigers where spirit and tradition are the by words of a school in which the entire community takes pride. While increasing your knowledge and developing skills, your major responsibility, while at SMS, will be to respect your fellow students, teachers, and staff members. They in return should respect you. No individual at SMS has the right or privilege to infringe on or deny the right of another individual.

## ATTENDANCE PROCEDURE

Regular attendance is a must. No single factor will do more to aid your progress in school than regular attendance. While a student is enrolled in school, his/her number one job is attending classes regularly and fulfilling all class requirements. Excessive absences, even though excused, are bound to affect one's grades. Any student missing more than twelve days per semester will not receive credit for those classes in which they missed more than twelve days.

Admits must be picked up in the principal's office before the 8:10 bell.

**Excused Absence** – Excused absences will be granted for the following reasons: Illnesses, medical appointments, (Please try to make after school appointments), legal matters, extenuating circumstances deemed necessary by the principal.

**PARENTS SHOULD CALL BEFORE 8:30 A.M. THE DAY THE STUDENT IS TO BE ABSENT.**

**Unexcused Absence** – Unexcused absences are any that do not fall within one of the above categories. Examples of unexcused absences: Picking up or returning tux or prom dresses, haircuts, birthdays, working and/or working on automobiles.

**Truancy** – Issued when the student is absent without approval of parents and/or is found to have lied about an excuse.

**First Offense – 1 Day of in-school detention.**

**Second Offense – 3 days of in-school detention.**

**Third Offense – 5 days of out-of-school suspension.**

**Tardies** – Students who are tardy will need an admit slip from the office. Three unexcused tardies will be required to spend one period of after school/lunch detention. Students will be required to make their detention up the next day. Being late fifteen minutes or more will constitute an absence in that class.

**Make-up Work** Make-up work is allowed for up to five (5) days from the assigned due date for any assignment. Extenuating circumstances will be evaluated by the building principal on a case-by-case basis for exceptions and documentation will be required. Work assigned during a student's participation in class is required to be turned in as directed by the teacher. Students knowing they will be away from class due to an activity will be required to make their work up before the activity (Teacher discretion). Failure to do so may result in students not being excused from class for future organization or team activities.

**Appeals Committee** – Will consist of an administrator, counselor, and three (3) faculty members. Purpose of the committee will be to hear an appeal by the student concerning his or her violation of the absentee policy. The committee will render decision and if the student is not satisfied he or she has the right to appeal to the Stroud Board of Education.

**Illness at School** – If you should need special care at school due to some condition such as: diabetes, epilepsy, asthma, etc., we will be able to give you special attention if you will give us the necessary information before the emergency arises. If you

become ill during the day, you should go to the office so that your parents can be notified and your absence cleared.

### **STUDENT CONDUCT/DRESS CODE (REGULATION)**

In accordance with the policy of the Board of Education, the following regulation shall establish address and grooming code for the public school system. Generally, students should regard neatness and cleanliness in grooming and clothing as important. Dress or grooming which is in any way disruptive to the operation of the school will not be permitted. Revealing or sexually provocative clothing or clothing of extreme style may not be worn. Principals, in conjunction with sponsors, coaches or other persons in charge of extracurricular activities, may regulate dress and grooming of students who participate in a particular activity if the principal reasonably believes that the student's dress or grooming creates a hazard, or may prevent, interfere with, or adversely affect the purpose, direction, or effort required for the activity to achieve its goals. If a student's dress or grooming is objectionable under the above provisions, the principal shall request the student to make appropriate corrections. If the student declines, the principal shall notify the student's parents or legal guardian and request that person to make the necessary corrections. If both the student and parent or legal guardian refuses, the principal shall take appropriate disciplinary action. Students who violate provisions of the dress code and who refuse to correct the violation may be disciplined by removal or exclusion from extracurricular activities. In extreme cases students may be suspended until the violation is corrected.

Students are permitted to wear shorts and skirts no shorter than finger tip length as arms are placed down to their side.

The following articles and types of apparel are not considered suitable for school purposes and will not be permitted:

1. Hats, headbands, caps, and jeans or pants with holes or slits above the knee.
2. Tank tops, muscle shirts exposing the arm pits, see-through shirts and blouses

- be disconcerting to the learning process.
4. Articles of clothing that advocates the use of or advertises for the use of any tobacco, sex, alcohol, or illegal drug.
5. "Sags" or extremely baggy pants.
6. No shirts or blouses that expose the midriff area.

### **ORDERLY CONDUCT**

Students shall conduct themselves in keeping with their level of maturity, acting with due regard for the supervisory authority vested by the Board in all district employees, for the educational purposes underlying all school activities, for the widely shared use of school property, and for rights and welfare of other students.

Second offense – three day in-school detention.  
Third offense – three to five day suspension from school. Parents will be informed of detention assignment and suspensions.

### **IN-SCHOOL DETENTION OF STUDENTS**

A student may be placed in an in-school detention center at school by the principal for actions detrimental to the normal operations of the school. Disobedience, insubordination, vandalism, theft, public display of affection, and failure to attend school detentions are a few examples.

1. Students will be placed in an isolated supervised study area.
2. Students will be required to complete daily classroom assignments. These will be collected at the end of each day for a grade.
3. Breaks will be at different times than the rest of the student body.
4. Lunch will be at the normal time in ISD.

### **OUT-OF-SCHOOL SUSPENSION**

A student may be suspended from school by the principal for actions detrimental to the normal operations of the school. Repeated disobedience,

open defiance of a teacher, vandalism, use of tobacco, theft and public display of affection are a few examples. Fighting, failure to attend after-school detention and the sale, use of, or possession of tobacco, alcohol, or controlled substances are additional examples. NOTE: Possession, use, sale, or distribution of alcohol is illegal and will not be tolerated at Stroud Middle School or at any school-related functions. Students in violation of this policy may be suspended by the superintendent or principal for a period not to exceed the current semester and the succeeding semester.

### **Suspension Appeals**

All students who have been suspended out of school have a right to appeal the out-of-school suspension decision of the administration. Appellate rights in such short-term (9 days or less) are satisfied in an effective and expedient manner by giving the student the right to appeal to a suspension committee. The parent shall notify the Superintendent of Schools of the intent to appeal by letter which must be received within two (2) calendar days after the principal's out of school suspension decision is received by the student or his or her parents. After such time, the out-of-school suspension decision will become final and non-appealable. Upon receiving notice of intent to appeal, the Superintendent shall confirm that the student's out of school suspension falls within the category of an out-of-school suspension to which an appeal to the committee is authorized.

Suspensions of 9 days or less have two appeals. First to the superintendent of schools and secondly to an appointed appeals committee whose decision will be final. Suspensions of ten days or more have three appeals: The superintendent of schools, an appeals committee, and the board of education whose decision will be final. A written letter of appeal for each hearing must be submitted to the superintendent 48 hours after the suspension or after the appeals committee has denied the first appeal.

### **CLASS MAKE-UP WORK**

Make-up work is allowed for up to five (5) days from the assigned due date for any assignment. Extenuating circumstances will be evaluated by the building principal on a case by case basis for exceptions and documentation will be required. Work assigned during a student's participation in class is required to be turned in as directed by the teacher. Students knowing they will be away from class due to an activity will be required to make their work up before the activity (Teacher discretion). Failure to do so may result in student not being excused from class for future organization or team activities.

## **Stroud Public School Fight Policy**

### **Introduction/Philosophy/Rationale**

**It is the belief of this administration that our school should have the highest expectations regarding the educational process of our students. We believe that our teachers and students should work together, follow the rules set forth by our policies and benefit from our high morals and expectations. We believe that students should be prepared for class and conduct themselves in a manner that promotes a quality educational system. We believe that students should be mannerly in their conduct when dealing with problems. Our faculty and administrators are considered to be highly professional and well trained in the education of our students.**

**We believe that students should work through problems in a respectful and mannerly method. At no time should students harass or bully any student or school official in any way whether it be sexual, racial, physical appearance, or in any manner. In addition, students should never threaten school employees or students even to the slightest**

degree. To accept such conduct from one student would simply allow all students to behave in this manner. This type of behavior, if not corrected would flourish in the classrooms, hallways, and administrative offices.

It is the belief that we should all work together to insure the ideal school; a school where students and teachers work together. Students who learn to accept the many cultural differences of a society that continues to grow together yet apart based on belief and cultural differences. Our goal is to provide a school where students are well prepared for class and respect teachers and administrators. A school in which people work together in resolving issues not by raising their voices or making threats or teasing or harassing each other.

The conduct of our students in our school is of the utmost importance to teaching. It is this conduct that sets the climate of education. Naturally, all teachers want a good, positive, and learning atmosphere which would be conducive to learning as well as teaching. In dealing with the actions of one student, we must ask ourselves what would be the outcome if all students conducted the same action. In addition, we must ask ourselves is this conduct acceptable for promoting our desired education or is it disruptive to our teachers and students educational process. We must ask ourselves, is this type of behavior the type of high standards we want in our classrooms. With this philosophy in mind and in regards to fighting and assault; school officials will do their best to determine who is guilty and who is not. School officials will do their best to insure that right wins over wrong and that justice will be served to the best of our ability. With this in mind; both parties or only one party may be suspended depending on the situation.

In the event of a fight or assault of any kind during any school day or school activity, the guilty party(s) will be suspended automatically for a period of nine (9) days on the first offense and an entire semester on the second offense.

**Appeals: The usual appeals process will be in effect according to Oklahoma School Law.**

**Nine days or less – only one appeal – an independent appeals committee made up of an administrator, counselor, and teachers.**

**Ten days or more – First appeal – an independent appeals committee made up of an administrator, counselor, and teachers.  
Second & Final Appeal – The Stroud School Board of Education**

2. Bullying can be physical, verbal, emotional or sexual.
3. Bullying is carried out repeatedly over time.
4. Bullying occurs within an interpersonal relationship characterized by an imbalance of power.

**SEXUAL HARASSMENT**

1. Sexual harassment is a form of discrimination based on sex. Discrimination based on sex means treating someone differently because she or he is female or male. Sexual harassment is illegal and is prohibited by Title IX of the 1972 Education Amendments and Title VII of the Civil Rights Act of 1964.
2. Sexual harassment is unwanted and unwelcome sexual behavior.
3. Sexual harassment can be physical, verbal, including gestures.
4. Sexual harassment can happen once, several times or on a daily basis.
5. Sexual harassment interferes with the victim's academic or social life.

**2. BULLYING ON CAMPUS CAN HAVE LONG-LASTING RESULTS FOR MANY STUDENTS.**

These acts cause feelings of anxiety, fear, and shame in the students who are targets. They can interfere with concentrating, inhibit full

participation in class and interrupt academic and social learning. Witnesses and bystanders also experience similar feelings, as they know they could be the bully's next target.

Bullying can trigger violent responses in some students with other risk factors as have been seen in schools across the nation.

Bullying can be the early warning signs for further anti-social aggressive and increasingly violent behavior.

**3. EXAMPLES OF PROHIBITED BEHAVIOR:**

Bullying: name calling, racial slurs, pushing, crowding, coercing, hitting, pinching, making fun of a person's body, telling mean jokes about someone, threatening to hurt someone, shooting the finger at someone, biting someone, or taking things without permission.

Sexual Harassment: Touching someone in ways that are not okay with her/him, making fun of someone's private body parts, passing a note that says sexual things about someone's body, continuing to tell dirty jokes around someone after she/he has asked the person to stop, making slurs about someone's sexual orientation, and pressuring someone for sexual touches.

**4. BULLYING AND SEXUAL HARASSMENT WILL NOT BE TOLERATED ANYWHERE AT STROUD PUBLIC SCHOOLS.**

This includes school facilities, premises, and non-school property if the student is at any school sponsored, school approved or school-related activity, event or function (i.e. field trips, or competitive athletic events) where students are under the supervision of staff.

**5. SPEAK UP WHEN POSSIBLE**

If possible, the target should tell the bully/harasser to stop, to the extent that a person feels safe and comfortable doing so. A target is first encouraged to confront the

bully/harasser, telling them to stop because their actions are unwelcome.

## **6. REPORTING**

Reporting bullying and sexual harassment to school staff is encouraged. Anyone may report bullying and harassment. They may report it to any school staff member.

(Schools have specific protocol that indicate the proper “chain of command” for reporting procedures). The staff is expected to act on all reports and to pass the report on to the school administrator.

## **7. TATTLING VS REPORTING**

Stroud Public Schools define tattling as telling an adult about another student's actions with the sole purpose of getting that student in trouble.

Stroud Public Schools defines reporting as telling an adult about another student's actions with the purpose of getting help with a difficult situation, (i.e., one that is threatening or hurtful).

## **8. CONFIDENTIALITY**

Stroud Public School staff will strive to maintain confidentiality of any student target or bystander who reports bullying or sexual harassment. The school staff will also respect the confidentiality of the student accused of bullying or sexual harassment. Any disclosure of reported information, including the identity of a student, will be made only to individuals involved in the school's response to the incident.

## **9. NO RETALIATION**

Stroud Public School will not tolerate retaliation for reporting bullying or sexual harassment. School staff will discipline any student who retaliates against anyone who reports an incident, or against any person who testifies, or assists in any investigation. Retaliation includes, but is not limited to, any form of intimidation, reprisal, or harassment, whether physical or verbal.

## **10. STUDENT ACCOUNTABILITY**

Stroud Public School expects students to demonstrate respectful behavior throughout campus, on the bus, and at all school-sponsored events. Students whose behavior is found to be in violation of this policy will be subject to appropriate sanctions.

## **11. STAFF ACCOUNTABILITY**

All school staff is expected to model respectful interaction with all students and staff at all times. Staff is expected to respond to bullying and sexual harassment incidents immediately and in a manner consistent with school policy. Training will be provided on an annual basis to provide education and to enhance staff skills for responding effectively to bullying and sexual harassment.

Staff who witness an incident among students are expected to intervene by:

1. Responding immediately
2. Establishing the safety of the target
3. Educating both students by identifying the unacceptable behavior and explaining its harmful impact on the target and other students.
4. Setting a logical, reasonable and educational consequence for the bully or harasser which promotes the safety of the target. Targets will not receive consequences.

### DISPENSING OF MEDICINE TO STUDENTS

The term "Medicine" as used in this policy means "non-prescription medicine" and "filled prescription medicine". "Filled prescription medicine" is prescription medication contained in a prescription vial with a label which correctly states the name and address of the pharmacy, date of filling, name of patient, name of prescriber, prescription number and directions for the administration of the medication. Only the following personnel shall be authorized to administer medicine at school: The school designated in writing by the parent or guardian as authorized to administer medicine. No medicine shall be administered unless the parent or guardian of the student requiring the medication has given the school written authorization to administer the medicine. The parent or guardian of any student requiring medication during school shall provide the medication to the principal of the school the student attends, and provide the school with written authorization to administer the medication. Each school shall keep on file the written authorization(s) of the parent or guardian of the student to administer medicine to the student. Filled prescription medicine shall be administered pursuant to the directions for the administration of the medicine listed on the label, or as otherwise authorized in writing by the physician prescribing the same. Non-prescription medication may be dispensed and administered only in compliance with the written directions on the label of the medication, or as otherwise authorized in writing by the child's physician. All medicine shall be properly stored, and not readily accessible to persons other than the persons who will administer the medication. Each school in which any medicine is administered shall keep a record of the name of the student to whom the medicine was administered, the date the medicine was

administered, the name of the person who administered the medicine, the type or name of medicine which was administered, the dosage of the medicine which was administered and the time the medicine was administered. A “log of the administration of medicine” shall be used by each school to keep the record of all medicine administered during each school year.

The Board of Education adopts this policy pursuant to the provisions of 70 O.S. 1984, section 1-116.2. Under this statute administrators and designated school employees are not liable to the student or his parent or guardian for civil damages for any personal injuries to the student which result from acts or omissions of the school nurse, administrator, or designated school employees in administering any medicine pursuant to the provisions of the statute. However, such immunity does not apply to acts or omissions constituting gross, willful or wanton negligence.

### **Important Information for Parents About Meningococcal Disease and Meningococcal Vaccines from The Oklahoma State Department of Education and the Oklahoma State Department of Health**

#### **What is meningococcal disease?**

Meningococcal (men-IN-jo-kok-ul) disease is a rare but sometimes fatal disease caused by a bacterium called *Neisseria meningitides*. The disease causes either meningitis, severe swelling of the brain and spinal cord, or meningococemia, a serious infection of the blood.

#### **Who is at risk from meningococcal disease?**

Although the risk is extremely low, disease does occur. Babies less than a year old have the highest risk for meningococcal disease, but no vaccine is available to protect them. Teenagers and young adults, aged 15 – 22 years, are at increased risk because of behaviors that spread the disease. On average two to three people in this age group get meningococcal disease every year in Oklahoma. More than half of these could be prevented by vaccine.

#### **How is the disease spread?**

The disease is spread by droplets in the air and direct contact with someone who is infected. That includes coughing or sneezing, kissing, sharing a water bottle or drinking glass, sharing cigarettes, lipstick, lip balm-anything an infected person touches with his or her mouth.

#### **Is meningococcal disease dangerous?**

Yes, every year in the United States about 2,500 people are infected and about 300 people a year die, in spite of treatment with antibiotics. Of those who live, about 400 a year lose their arms or legs, become deaf, have problems with their nervous systems, become mentally retarded, or suffer seizures or strokes. This is why preventing the disease is important. If your child has symptoms of meningococcal disease contact your health-care provider immediately.

#### **Signs and Symptoms of Meningitis**

- Headache
- Fever
- Chills
- Stiff neck
- Extreme tiredness
- Vomiting
- Sensitivity to light
- Rash of small purplish black-red dots

#### **How can meningococcal disease be prevented?**

Vaccines can prevent many types of meningococcal disease, but not all types. There are two vaccines available in the United States that protect against four of the five most common strains of the meningococcal bacteria. The newest vaccine, called Menactra, or MCV4, is currently available for:

- Adolescents entering high school (15 years of age),
- College freshmen who live in dormitories,
- Other people at high risk 11 – through 55-years of age.

There is a shortage of both vaccines because the company that makes the vaccines has not been able to keep with the demand; therefore, it may be

difficult to get the vaccine. However, healthcare providers are saving the vaccine for these groups.

The earlier vaccine, called Menomune, or MPSV4, was effective in older children and teenagers but booster doses were needed every three to five years. The new vaccine protects against the same types of meningococcal bacteria and probably will not require booster doses. MPSV4 is still used for children 2- through 10 years old and adults over 55 who are at risk.

Teenagers and young adults can also reduce their risk by taking good care of themselves, by eating a balanced diet, getting enough sleep and exercise, as well as avoiding cigarettes and alcohol.

### **Is the meningococcal vaccine safe?**

Yes, both vaccines are safe; however, there are risks with any vaccine. About half of the people who get the vaccine will have pain and redness where the shot was given, but because the vaccine is not made for the whole bacteria, it cannot cause bloodstream infections or meningitis. A small percentage of people who get the vaccine develop a fever. Vaccines, like all medicines, carry a risk of an allergic reaction, but this risk is very small.

A few cases of Guillain-Barre' Syndrome, a serious nervous system disorder, have been reported among people who got the new vaccine, MCV4 (meningococcal conjugate vaccine). At this time, there is not enough evidence to tell if the vaccine caused the disorder. Health officials are investigating these reports.

### **Does the meningococcal vaccine work?**

Yes, the new meningococcal vaccine protects about 90 percent of the people who received it from meningococcal disease caused by types A, C, Y, and W-135. These types cause almost two-thirds of all meningococcal disease in teenagers in the United States. It does not prevent type B, which causes about one third of the cases in teenagers.

### **Does the meningococcal vaccine prevent all cases of meningitis?**

No. However, 63 percent of the meningitis cases in 18-22 year olds occurring in Oklahoma from 2000 through 2005 could have been prevented by vaccination. The meningococcal vaccine does not include type B. Scientists have not been able to make a vaccine that will protect against type B. Other bacteria and viruses can also cause meningitis. More information about these causes can be found at the National Meningitis Association Web site listed in the box in the next column.

### **Where can I get the vaccine for my son or daughter?**

If your child has health insurance you can obtain the meningococcal vaccine from your health-care provider.

Local county health departments have the vaccine available now at no charge for all children who:

Have no health insurance, are Medicaid eligible, are Native American, or whose health insurance does not pay for vaccines, and are either 15 through 18 years of age, or who do not have a spleen, have certain immune system problems, or who will be traveling to certain parts of the world.

### **Is this vaccine required to attend school in Oklahoma?**

This vaccine is not required to attend kindergarten through the 12<sup>th</sup> grade in Oklahoma. However, it is required for students who are enrolling colleges and other schools after high school who will live in dormitories or on campus student housing.

**ANNUAL ASBESTOS NOTIFICATION  
FOR PARENTS, TEACHERS AND EMPLOYEES**

August 12, 2021

The Asbestos Hazard Emergency Response Act of 1986 (AHERA) requires the inspection of all buildings in the school district for asbestos. The district has complied with this act. A management plan documenting these inspections is on file for public review. Upon request, you may review the plan which is located in the Superintendent's office and at each campus.

The Stroud School District annually notifies all parents, teachers and other employees by posting this notice. Additionally, information regarding any asbestos related activities, either planned or in progress, will be disseminated by posting a notice, using handout bulletins/flyers and/or using newspaper public notice statements.

The asbestos identified in our management plan will be checked regularly by a licensed asbestos company and by our staff to scrutinize any changes in the material which could cause a health hazard. We will continue to monitor the asbestos as defined by EPA guidelines. If changes occur, our asbestos coordinator will notify the appropriate people as prescribed by law.

Joe Van Tuyl  
Superintendent  
Stroud Public Schools
